# Walkway, Patio, Pool & Porch Stone Choices at Wicki Stone

## Tumbled Bluestone

Primarily blue-gray with accents of brown, tan, rust, and sometimes green.

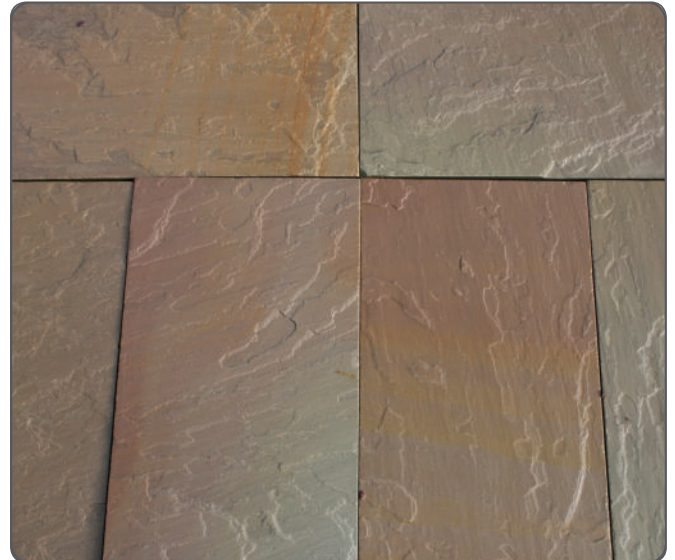

## Karney® Pattern Green

Primarily brown to tan in color with a range of color accents including gray, green and even deep purple.

## Karney® Pattern Mustard

Primarily tan to brown with beige, yellow and mustard tones throughout.

## Bronte Pattern

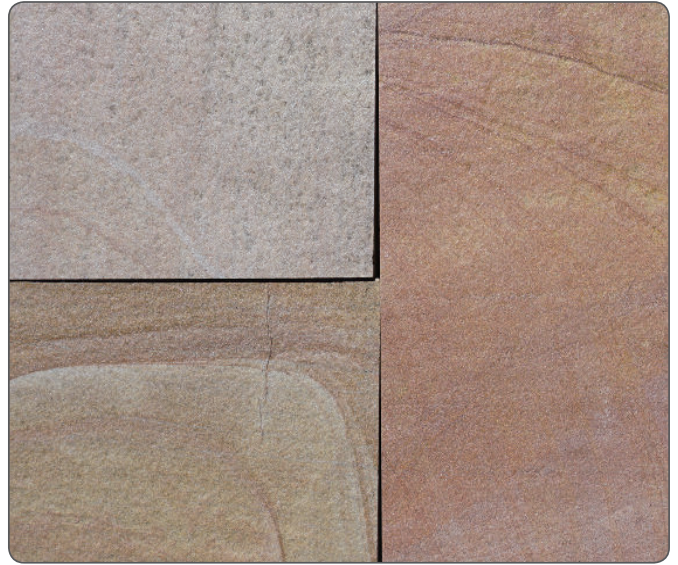

Primarily brown, tan, rust, and gray. Highly variable, can be very colorful. Striking when wet.

# Walkway, Patio, Pool & Porch Stone Choices at Wicki Stone

## Jurassic Pattern

Primarily tan to light brown with highly variable accent colors and fossil like patterns.

## Domestic Rainbow Pattern

A range of base colors - from white to salmon. Wide variety of accent colors and grain colors.

## Imported Rainbow Pattern

Primarily light in color so it does not get as hot as a darker stone. Interesting grain and accent colors.

## Brownstone Pattern

Shades of brown.

# Walkway, Patio, Pool & Porch Stone Choices at Wicki Stone

## Limestone Pattern

White - ages to white/gray.

## Pacific Blue Pattern

Shades of silver. Primarily lighter shades.

## Teakwood Pattern

Looks like wood. Base colors are white to tan, grain colors and patterns vary in color.

## Blue Ice Pattern

Primarily darker shades of gray with some slightly more silver pieces mixed in.
